

Dear Mr Hurd MP

Further to my email of 20<sup>th</sup> December, please find enclosed a one-page summary that includes your constituent Patrick Cullinane. As you know, his case and experience is representative of hundreds and thousands across the country.

I would very much like to know whether you would be able to lend this initiative your support.

E.g. would you send it to the Lord Chancellor or other Cabinet Members and ask for comments with a view to the Economic Crime Agency?

With my very best wishes for 2011,

Yours sincerely,

Sabine
