### Abuse of Process

Dear Madam,

- i) HMP probation officer is unaware I posted the 'recall' Appeal.
- ii) 31<sup>st</sup> July 14 Comp 2 form, to No 1 Governor, records its history.
- iii) Probation suggests, in the light of Nigel Rees, MAPPA Manager, refusing to explain to him, me, NOMS London or 'man in the moon' as to why I was registered MAPPA level 3 on 8<sup>th</sup> June 2009, expunged from the record on 17<sup>th</sup> Dec 2009, re-registered level 3 on 4<sup>th</sup> June 14, reduced to a 'common criminal' as level 2 on 18<sup>th</sup> July 14 and now recalled, I should list some examples:

- iv) **Sample of Errors** in 43 page 'recall pack' just for starters:

#### Recall Notification Form

- i) 'Displayed poor behaviour'-HMP Probation admit there is no 'supporting' evidence. Is that correct?
- ii) Vulnerability Issues --Only disclosed reason for my 15.33hrs 'Emergency Recall', on 11<sup>th</sup> July, was due to my meeting with Caswell Clinic nurse and Swansea medical student. Is this correct and if not will you disclose their contemporaneous notes?
- iii) 'Potential Risk Issues'- I am to 'contact' Barry police station 'Offender Manager' for written reasons—I did-No reply.
- iv) Just who diagnosed my having 'Paranoid Delusional Disorder'?
- v) Who designated the Swansea GP? Why was he not permitted to tell me on 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> July my operation was on 17<sup>th</sup>?
- vi) Fabricated 1980 ABH Conviction - Who is responsible for that fabrication?
- vii) R10.1 & R7.1.2.- Why are ex wives and children 'at risk of serious harm'?
- viii) 8. page 18-'Perverting the course of justice' and unable to attend any court building since 2008-what is that all about?
- ix) Judges Rowland, Tom Crowther and Paul Thomas countermand His Honour Judge Seys Llewellyn QC's directions that I have my legal papers. In your inherent world of deceit and avarice just who has the moral fibre in South Wales to answer to these examples?
