Dear Sir

Further to the break in at my surgery my carpenter has
now examined door to find it is beyond repair.

Have the people heard in the flat been interviewed yet?

Yours faithfully

Dear Sir

Further to my letter of 25th January I would like to thank you for informing me that someone was arrested for breaking into my surgery and cutting off my emergency phones.

I need to contact the Borough Council concerning my flat on a number of matters and therefore need the name and address of who was arrested in order that I can take the necessary legal proceedings against the occupants of the flat and the burglar.

Yours faithfully
