## TWO of the LLANGUNNOR SIX in CARDIFF COURT: What do they Have in Common?

**Dafydd Morgan**, business man of Aberystwyth, has come to Cardiff to witness **Maurice Kirk**, the Flying Vet in court once again, as he continues to get justice for the long standing harassment he suffered from *South Wales Police*. They first met when Maurice was in the public meeting in Carmarthen’s Rugby Club in May 2006, where other victims of white collar crimes joined [Stand Your Ground](http://www.standyourground.co.uk)<sup>1</sup> to speak with MP Adam Price.

Mr Morgan recently published a record of this and similar meetings in a report he produced for *Thames Valley Police*. They had to deal with the HBOS scandal in Reading, involving millions of losses due to bank fraud, but did not feel sufficiently competent. His report therefore paints the bigger picture, based on his experiences with *Dyfed Powys Police*, and concerns the *Failure of the Public Sector to deal with White Collar Crimes, Money Laundering and Tax Evasion*. See <http://bit.ly/Report170627> - published on [Victims Unite](http://victims-unite.net)<sup>2</sup> – the most popular web site published by Sabine McNeill who advocates Open Justice on [33 sites and petitions](http://33sitesandpetitions.com)<sup>3</sup> and who will also be in Court.

Paragraph 104 describes the meeting of the *Llangunnor Six* in May 2006, with Mr Kirk and Mr Morgan as two of the victims of white collar crimes, chaired by **Alan Fry** as Chief Executive of the *South Wales Police Authority*. A further link between *Dyfed Powys* and *South Wales Police* is MAPP – the Multi-Agency Public Protection Agreement that allowed Police to abuse it for a [Shoot to Kill Mr Kirk](http://shoottokillmrkirk.com)<sup>4</sup> and to section both.

Facilitator of this abuse of process has been **Adrian Oliver**, owner of Dolman’s solicitors who have been acting on behalf of Police in both regions, with the effect of ruining professional lives of not only these two men.

Dafydd Morgan says: “I’ve been aware of this case near on 15 years. I am appalled by the way Mr Kirk has been treated and it’s about time that this nonsense comes to an end.”

Maurice Kirk says: *“I am extremely grateful that Her Ladyship has given me an opportunity of highlighting the vendetta that South Wales Police have orchestrated during malicious prosecutions, unlawful arrests and years of imprisonment, on top of the removal of my veterinary licence.”* Thus he could not afford to fight the deep Police pockets as effectively as required.
