The background of the cover is a circular emblem. At the center is a figure with a human face and a bird-like body, possibly a phoenix or a similar mythical creature, with its wings spread. The figure is surrounded by a circular border containing Latin text. The text is arranged in a circular pattern, with some words appearing on the left and right sides. The overall style is reminiscent of a historical seal or a heraldic emblem.

# MASTERS OF TRUTH FATHERS OF LIES.

By

Jacques Cuse BSc(Hons)

This book is dedicated to all those brave folk who made the ultimate sacrifice to maintain justice, truth and freedom in a world riddled with corruption, and to those equally brave people who continue the fight no matter what the cost - they are indeed few in number. Unless justice, truth and freedom are maintained, the world will not survive the onslaught of the corruption and greed of mankind.

“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.”

*John 8 v 44.*

“The first wrote, ‘Wine is the strongest.’  
The second wrote, ‘The king is strongest’  
The third wrote ‘Women are strongest: but above all things Truth beareth away the victory’.”

*1 Esdras 3 v 10..*

# **“TRUTH” - THE BEGINNINGS OF LIBERATION FOR MANKIND FROM THE SHACKLES OF DEBT OPPRESSION, INJUSTICE AND CONCEALMENT OF KNOWLEDGE.**

## **INTRODUCTION.**

This little booklet is designed to show the ordinary people of this world the very great danger into which their ancestors have placed them through lack of due diligence in recognising the messages of history passed down in one form or another, whether it be in religious manuscript, myth or monument.

As a basis and a catalyst for this dissertation, I have taken the Church of England Synod report, which I obtained soon after its publication.

A proposal was made to the synod in February 1985 by way of a Private Members Motion tabled by Mr.R.E.C.Clarke, a lay representative of the Diocese of Lincoln, that the Committee consider the compatibility or otherwise of Freemasonry with Christianity. One year later a Working Group was confirmed as: Dr.Margaret Hewitt (Chairman), Dr.Christina Baxter, The Rev.J.C.Broadhurst, The Rev.J.C.Duxbury, Dr.R.J.C.Hart, The Rev.D.R.J.Holloway and The Dean of St.Albans The Very Rev.P.C.Moore.

Dr.Hart and The Dean of St.Albans made it known that they were current members of the Freemasons. The latter was appointed Grand Chaplain of the Craft in 1981. The report was published two years later.

I was motivated by my own experiences as well as the experiences of others with whom I came into contact and who had similar and in some cases identical experiences at the hands of those in control of the law. The Synod report is a particularly relevant document because it raises more questions than it answered - if you know the truth. Most people reading the report may be inclined to think that is an end to the matter. How wrong they are, but this is the intention of those in control.

Having read the Church of England Report “Freemasonry and Christianity are they compatible, and having a great deal of Masonic and other literature to my hand, I must express to the Church the fact that the Working Party, in compiling the report, have missed the entire point of Freemasonry. This is not difficult to understand since there were two members of the party who are Freemasons and the art of the craft is to deceive and confuse, as you will see from the evidence I present herewith. I am assuming therefore, that the two Freemasons merely advanced only those pieces of the Rituals which would not otherwise compromise the real intentions.

It is only events that have happened in my life over the past ten years that have led me to search for the truth lying behind the manuscripts I have discovered and which prove beyond a shadow of doubt the evil designs behind Freemasonry and its links with Judaism.

Judaism is the one most fundamental point behind the existence of Freemasonry and the report makes no mention of it whatsoever. My search for the truth came about because I could find no good reason for the predicament in which I found myself. I was cognisant of some of the Masonic secret signs and thus was able to distinguish a mason on meeting. I had been deceived by a solicitor who was a Mason. The purpose of this deceit was to aid another Mason who was in difficulties.

When it became clear to them that I was not such an easy victim as they had at first considered, they enlisted the services of another companion, my bank manager, who deprived my accounts of sums of money and succeeded in destroying my business with the intention of driving me away from this area.

I have in my possession an original edition of the Royal Arch Rituals of the Aldersgate Chapter of improvement, edition number three originally compiled for the Nigerian Lodge.

It contains some interesting observations as to the adulterations which have occurred in the Rituals since 1750, more of that later. I also have a copy of “The Brotherhood” by Stephen Knight, from which the report also quotes; a copy of “The Protocols of the Meetings of the Learned Elders of Zion: a copy of a booklet called “The Talmud Unmasked” which deals

primarily with those sections of the Talmud relating to the manner in which Jews are to treat Christians; a copy of "A Study in Syncretism" which details the background and apparatus of the Emerging One World Church and finally Douglas Reed's hook "The Controversy of Zion". I will also be quoting from Winston Churchill's writings on the subject.

Before we become involved in the general discussion and proof that Freemasonry is totally incompatible with Christianity let me say that I am a "practising" Christian although I have long ceased to be a regular visitor to our church simply because I do not agree that even the way in which the Church of England teaches Christianity is fully in accordance with the precepts of Jesus Christ, and because I believe that we as Christians have a duty to take positive action against the very evil which is destroying God's own creation. Anyone who claims to be a Christian must be heartily sickened at the world situation today and why are we powerless to do anything about it? Because we are all deliberately divided by the great Satan, the anti-Christ which is manifest about us.

Winston Churchill in 1920 stated in an article "Zionism versus Bolshevism" in the Illustrated Sunday Herald of February 5th-

"The conflict between good and evil which proceeds unceasingly in the breast of man nowhere reaches such an intensity as in the Jewish race. The dual nature of mankind is nowhere more strongly or more terribly exemplified. We owe to the Jews in the Christian revelation a system of ethics which, even if it were entirely separated from the super-natural, would be incomparably the most precious possession of mankind, worth in fact the fruits of all other wisdom and learning put together, On that system and by that faith there has been built out of the wreck of the Roman Empire the whole of our existing civilisation. And it may well be that this same astounding race may at the present time be in the process of producing another system of morals and philosophy, as malevolent as Christianity was benevolent, which, if not arrested, would shatter irretrievably all that Christianity has rendered possible. It would almost seem as if the gospel of Christ and the gospel of Anti-Christ were destined to originate among the same people: and that this mystic and mysterious race had been chosen for the supreme manifestation, both of the divine and the diabolical."

As I said at the beginning of this introduction, I have read the Church of England report on Freemasonry. It seems to me from that report that the Working Group have missed the entire point of Freemasonry, and perhaps, as you will see from the documentation that I present herewith, that may be entirely by design. There are many Englishmen and Christians who have suffered similar fates to my own, and worse, at the hands of Freemasons and Zionists. We are the living proof of the evils in our midst, some are reported briefly in the press others completely ignored. In every case the pattern of fraud is the same. In the Talmud there are explicit instructions that Christians are to be dispossessed by any manner or means available, fraud, trickery and deceit are all condoned because, according to the claims of their Law, everything belongs to them anyway. The Royal Arch Rituals confirm that Freemasonry is wholly Judaistic (Viz. Diagram on page 5 from the Aldersgate Chapter Rituals), in fact there is one school of thought that says that Freemasonry is the only route by which a gentile can become a Jew, and The Protocols lay down the plan for the achievement of world domination by Zionism through the unwitting agencies of Freemasonry. Many prominent figures in the past have expounded on this phenomenon, not least amongst them were figures such as Disraeli, Balfour and Winston Churchill. Are we to find that for centuries Christians have been fighting hand in hand with the devil? Are we to find Christianity and all that it teaches merely propaganda designed to soften up the peoples of the World for the final victory that Zionism considers theirs? Are we to allow the horrendous racial revenge depicted in the Talmud to take place?

Are our children to be enslaved in a world where nothing else but money has a value?

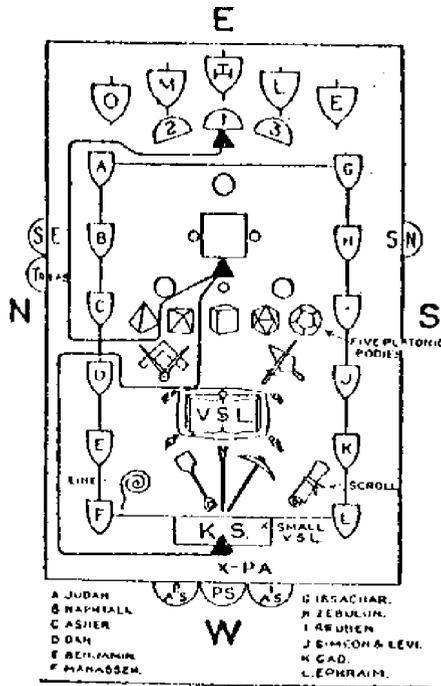

The following discussion is composed of extracts from the manuscripts mentioned previously together with extracts from the Church of England Report. Where possible, the original source reference is given to each extract and my comments serve to bridge the gap between extracts. "The Protocols of the meetings of the Learned Elders of Zion" translated from the Russian text by Victor Marsden will be referred to simply as "The Protocols". Extracts from the Talmud will, whenever possible be referred to both by the tract and the ordinance from which they are taken. From such writings we are compelled to ask: "From whence came so much hatred? For what reason is such hatred taught? How can such people at once say we are generous to the world with our culture and benefactions whilst secretly destroying the very marrow of our lives?"

HISTORY OF FREEMASONRY:

From the Church of England report paragraph 17.

“More recently, John Hamill, librarian and curator of the Grand Lodge Library and Museum, has written of theories of the origin of Freemasonry.

When, why and where did Freemasonry originate? There is one answer to these questions: We do not know —.”

*The layout of the Royal Arch chapter.*

This we may not know nor have any proof of - but why then do the Royal Arch Rituals make such play about the Temple of King Solomon and claim three original Grand Lodges and Three original Grand Masters. I hope that as we proceed, the origins will become revealed.

The Antients Grand Lodge, formally constituted in 1751 coincided with the apparent disappearance of the Great Sanhedrin, the International government of the Jews.

“Therefore the mass move into the revolutionary camp must be regarded as one of high policy, directed after full consideration by that Jewish government which was transferred to Poland after the expulsion from Spain and sank from the sight of men at the dissection of Poland in 1772. Contemplated in that historical perspective, the threefold purposes of the grand design becomes clear, and events have demonstrated them. First, through revolution the process of emancipation (and therewith of Jewish assimilation in the west) might be reversed and the supremacy of the ruling sect in Jewry maintained. Second, through revolution vengeance might be taken on Christendom for the expulsion from Spain, or perhaps for the existence of Christendom (for that is the affront to which the Talmud is in effect the answer). Third, revolution would promote the fulfilment of The Law, which ordained the ruination of the heathen and the triumph of the chosen People, or at any rate of the sect which used that beguiling term-” (The Controversy of Zion)

“Therefore let us with awe and reverence bend before his Holy Name and say: Almighty Father, who in the hour of peril and persecution assisted Thy Chosen People Israel and subdued their enemies, bestow on us, we beseech Thee, a continuance of Thy favour and protection” (Holy Royal Arch, Aldersgate Chapter of Improvement)

Here, then, is a direct Masonic claim to the title “Thy Chosen People Israel”. When you realise this fact all else falls into place - all the City fraud, the banking swindles, the company bankruptcies, the Great Lloyd’s insurance scandal, race riots, unemployment and the dispossession of the British people of their rights and justice.

### **A Christian Society?**

From the Church of England report paragraph 26.

“From the time of the union of the Grand Lodge of England and the Antients Grand Lodge, the answer is clearly “No”. Reference to the Supreme Being in the original Masonic rituals seem undoubtedly to have been to the God of the Christian Faith. In 1816, in the hope of enabling men

of different faiths to take part in Lodge rituals without offending or compromising their own belief, specifically Christian references were largely removed from craft rituals in England. In fact during the eighteenth century, the Grand Lodge of England had itself been much engaged in reconstructing some of the rituals. One man who played a prominent part in this work was Dr. James Anderson, a Scottish Minister, whose first versions of his proposed Constitutions was presented to the Grand Master in 1723. In his proposed new “Charges of a Freemason”, the first had the most far-reaching consequences: It is now thought more expedient only to oblige them to that religion which all men agree, leaving their particular opinions to themselves.”

“In 1816, in the hope of enabling men of different faiths to take part in Lodge rituals without offending or compromising their own belief, specifically Christian references were largely removed from CRAFT rituals. “

One wonders how masons of other faiths square with the Royal Arch Rituals which are wholly Judaistic.

“The teaching of Masonry is today like the Keystone concealed under the rubbish, for during the last 150 years so-called improvers of the ritual have made such alterations that the clues to the great allegory of the Search for the Word have been destroyed. No longer is the Volume of Sacred Law opened at the Prologue to the Gospel according to St. John, as was the invariable custom in former times. The phrase “In the beginning was the Word” no longer appears in rituals and catechisms, although there is hardly any old Masonic ritual where that phrase does not occur, and it is to be seen in nearly every old Masonic manuscript. Likewise the phrase “And the light shineth in darkness and the darkness comprehended it not.” One feels tempted to say today “And the light shineth in darkness and the Brethren comprehend it not.” (Royal Arch Ritual Aldersgate Chapter of Improvement - from a lecture on the Jewel of the Order)

Note: Even the man who compiled this Ritual handbook is disillusioned. This was written in 1946 so that 150 years would take us back to the turn of the 18th Century, say 1796, just when the Zionist influence, after its inoculation of Freemasonry in 1750, would be taking a firm hold.

“The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradi-

tion and aristocracy, against religion and property. Destruction of the Semitic principle, extirpation of the Jewish religion, whether in the Mosaic or the Christian form, the natural equality of men and the abrogation of property are proclaimed by the Secret Societies which form Provincial Governments and men of Jewish Race are found at the head of every one of them. The people of God co-operate with atheists the most skilful accumulators of property ally themselves with Communists; the peculiar and chosen Race touch the hand of all the scum and low castes of Europe; and all this because they wish to destroy that ungrateful Christendom which owes to them even its name, and whose tyranny they can no longer endure". (Benjamin Disraeli - The Life of Lord George Bentinck 1852)

"Let me tell you the following words as if I were showing you the rungs of a ladder leading upward and upward: Herzl, the Zionist Congress; the English Uganda proposition; the future world war, the peace conference, where with the help of England a free and Jewish Palestine will be created-" (Max Nordau, a Jew, speaking at the Zionist Congress at Basle in August 1903.)

A prophesy of a future world war and a peace conference concerning the establishment of a Jewish Palestine? Or a deliberate leak of a master plan? We know all this came to pass- Was the first world war deliberately caused by the Jews - The Protocols certainly confirm this!

This next quotation by Walter Rathenau, a Jewish banker who financed the Kaiser would certainly lead us to believe this to have been the case. And what of the second world war? We know from The Protocols that "Nowadays, if any States raise a protest against us it is only proforma at our discretion, and by our direction, for their anti-Semitism is indispensable to us for the management of our lesser brethren." Perhaps the claims of the massacres at the hands of Nazi Germany of millions of Jews was masterminded by the elect few.

"Three hundred men, each of whom knows all the others, govern the fate of the European continent, and they elect their successors from their entourage." (Walter Rathenau, the Jewish Banker behind the Kaiser writing in the German *Weiner Frei Presse*, December 24th 1912.)

"The meaning of the history of the last century is that today 300 Jewish financiers, all Masters of Lodges, rule the world." (Jean Izoulet, member of the Jewish Alliance Israelite Universelle 1931.)

“There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism.” (The London Jewish Chronicle April 4th 1919.)

“Fundamentally Judaism is Anti-Christian!” (Jewish World March 15th, 1923). (This is confirmed by the extracts from the Talmud quoted later)

## **From the Church of England report paragraph 31.**

### **1. Concerning GOD and RELIGION.**

“A Mason is obliged, by his tenure, to obey the moral law; and if he rightly understands the art he will never be a stupid atheist nor an irreligious libertine. He, of all men should best understand that God seeth not as man seeth, for man looketh at the outward appearance, but God looketh to the Heart. A MASON IS, THEREFORE, PARTICULARLY BOUND NEVER TO ACT AGAINST THE DICTATES OF HIS CONSCIENCE. Let a man’s religion or mode of worship be what it may, he is not excluded from the order, provided he believe in the glorious architect of heaven and earth, and practise the sacred duties of morality.”

We have shown that Masonry is nothing of the sort, not an open house to those of any religion. It may well be the designed deception for people to believe this for there is in fact no allusion to a specific deity in the lower three degrees of Craft masonry. But what would happen if an Arab were to be initiated into the Royal Arch. This scenario never happens because masons of the Craft are artfully selected for preferment into the Supreme Degree. And therefore no one other than Royal Arch Companions knows the secret behind masonry.

## **ORIGINS OF A RACIAL PSYCHOSIS.**

“According to the records of secret Jewish Zionism, Solomon and other Jewish learned men had already, in 929 B.C, thought out a theoretical scheme for the peaceful conquest of the whole universe by Zion. As the course of history unfolded, this scheme was elaborated in detail and completed by later generations of men who had been initiated into their secrets. These learned men decided by peaceful means to conquer the

world for Zion with the slyness of the Symbolic Snake, whose head was to represent those who have been initiated into the plans of the Jewish administration, and the body of the Snake to represent the Jewish people - the administration was always kept secret, even from the Jewish nation itself. As the Snake penetrated into the hearts of the nations which it encountered it undermined and devoured all the non-Jewish power of these states. It is foretold that the Snake has still to finish its work, strictly adhering to the designed plan, until the course which it has to run is closed by the head returning to Zion.” (The Protocols)

“Nowadays, with the destruction of the aristocracy, the people have fallen into the grips of merciless money-grinding scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

“We appear on the scene as the alleged saviours of the worker from the oppression and we suggest that he should enter the ranks of our fighting forces - Socialists, Anarchists, Communists - to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social Masonry. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite - in the diminution, the KILLING OUT OF THE GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the SLAVE of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger gives capital the right to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

“By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way-” (The Protocols).

“Even the best of the Goyim should be killed” (Talmud - Abhodah Zarah)

“Take the life of the Kliphoth (Christian) and kill them, and you will please God the same as one who offers incense to Him (Talmud - Sepher Or Israel)

“Everyone who sheds the blood of the impious is as acceptable to God as he who offers a sacrifice to God” (Talmud - Jalkut Simoni).

“The only sacrifice required is that we remove the unclean from amongst us” (Talmud - Zohar).

“In the places of the fourth heaven are those who lamented over Zion and Jerusalem, and all those who destroyed idolatrous nations ... and those who killed off people who worship idols are clothed in purple garments so that they may be recognised and honoured” (Talmud - Zohar).

The Royal Arch is in effect the Fourth degree. It is also the Fourth Heaven? For the regalia of Installed Principals is indeed purple.

“Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. Gentile masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place remains for the whole people an unknown mystery.

“This is the reason why it is indispensable for us to undermine all faith, to tear out of the minds of the Goyim the very principle of Godhead and the Spirit, and to put in its place arithmetical calculations and material needs.” (The Protocols)

“The People of the Earth are idolaters, and it has been written about them: Let them be wiped off the face of the Earth. Destroy the memory of the Amalekites. They are with us still in this Fourth Captivity, namely, the Princes (of Rome) who are really Amalakites” (Talmud - Zohar)

“It is certain that our captivity will last until the princes of the gentiles who worship idols are destroyed.” (Talmud - Zohar)

This extract admirably evinces the continuing hatred of the descendants of Israel/Jacob towards the descendants of his brother Esau, whom Jacob deceived in the very beginning. This is the demonstration of a racial psychosis, a guilt complex so irredeemably rooted in the heart of Judaism that hatred leading to the final destruction will be the only way in which the Jews will be permitted to expunge their guilt. In other words, the conscience of the Jews will not be clear until all who know or who can point an accusing finger have been exterminated from the face of the earth. The Protocols say they “must undermine all faith, to tear out of the minds of the Goyim the very principle of Godhead and the spirit —” and “—the

killing out of the Goyim —” and for them, hopefully, the stories of Jacob’s deceit and all that Simeon and Levi and Judah did to offend God and morality will be forgotten. All records of the evils of Menasseh will be destroyed until eventually none will be left who will say “The Lord threw the Jews out of Palestine FOR EVER.”

The freedom they seek will never be found in this manner. If they succeeded in the destruction of every Bible and every Christian they may begin to feel free from suspicion, free from those whom they fear as potential accusers - but to turn their own doctrine upon themselves “God seeth not as man seeth, for God looketh on the heart!”

“They call it the Kingdom of Esau, and of the Edomites, the Kingdom of Pride, the Wicked Kingdom, Impious Rome. The Turkish Empire is called the Kingdom of the Ismaelites which they do not wish to destroy. The kingdom of Rome, however, must be exterminated because when corrupt Rome is destroyed, salvation and freedom will come to God’s Chosen People.” (Talmud)

Jesus Christ stood against this doctrine of the Levites and Pharisees. The Word of God as given to Moses had been concealed beneath the volumes of laws created by the Levites in Babylon to enslave their own race. Jesus Christ was crucified because he alone stood against the evil which had overtaken the Jewish people. Our brief from Him was “He that believeth on me hath everlasting life”. Jesus Christ was against it then - the Church of Christ MUST be against it now. Any man who is a Freemason serves none other than the Anti-Christ.

### **From the Church of England report paragraph 51.**

“Not surprisingly the nature of the Obligations has been a feature of Masonic ritual to which public attention has been drawn and one of the reasons why Freemasonry has been condemned by its critics, who remain unimpressed by the conventional defence that in any case, the penalties were never taken literally; that they are clearly symbolic. The very fact that they were undertaken with the candidate’s hand on the open Bible has always added weight to such criticism. ‘If it (the oath) is not taken seriously’, wrote Canon Demant to Walton Hannah, ‘or taken

very symbolically (in contravention of the oath's words: without evasion, equivocation, or mental reservation of any kind) then the oath comes under the heading of vain swearing or profanity. If it is taken seriously, then it must be put down as rash swearing..."

"She (the mother of the mamzer) said to him "Swear to me." And Rabbi Akibha swore with his lips, but in his heart he invalidated his oath." (Talmud - Kallah).

A Jew may perjure himself with a clear conscience hence the need for the Masonic phrase to qualify the validity of their own oath "Without Evasion, Equivocation or Mental Reservation —". This makes the oath binding even upon a Jew.

In the Royal Arch Oath the words "...under the no less penalty on the violation of any of them, than that of suffering loss of life by having my head struck off...." Today this refers to Capital as in monetary sense as the Latin root 'CAPUT'. An offender may be dispossessed of all his possessions. This Oath is not only taken on the Bible but, as instructed by the Most Excellent Zerubbabel (the High Priest) "As a pledge of your fidelity, and to render what you have repeated a solemn Obligation, binding on you so long as you shall live, you will seal it with your lips four times on the Volume of Sacred Law (Bible) .

## **A RELIGION AND PROMISE OF LIFE ETERNAL**

### **From the Church of England report paragraph 58.**

"What is quite clear is that Masons emphatically deny that Freemasonry is a religion. A leaflet Freemasonry and Religion, published by the Board of General Purposes of the Grand Lodge in 1985, states: 'Freemasonry is not a religion, nor is it a substitute for a religion.' 'Freemasonry lacks the basic elements of religion' but 'is far from indifferent to religion. Without interfering in religious practice it expects each member to follow his own faith, and to place above all other duties his duty to God by whatever name He is known.... Freemasonry is thus a supporter of religion.' In their evidence to the Working Group the United Grand Lodge further stated: 'Freemasonry knows that its rituals do not amount to the practice of religion...'

## **PROOF OF THE DOUBLE MEANING FROM MASONIC LITERATURE AND RITUALS.**

Freemasonry is a religion! That is an unquestionable and undisputable fact.

I. The God is named in the Royal Arch as Jehovah and Jahbulon. The V.S.L is the Bible and cannot, as is claimed by some Masons, be any other religious manuscript otherwise the rituals would be meaningless since texts from the Old Testament are used exclusively. For example: Hosea chapter 2 verse 1 is of critical importance. It is to be read by the candidate in his exaltation ceremony this verse contains the two passwords for admission to the Royal Arch, "Ammi and Ruhamah".

2. Michael Higham on a Radio 4 programme stated there was no sacrament in Masonic rituals which proved their claim that it was not a religion. A sacrament a religious rite, a sign, a token or pledge of a covenant, a religious mystery, a solemn oath, materials used in a sacrament. The Masonic oath, ritual, signs and tokens are all sacraments by definition. To seal their oaths they kiss the Bible and they kiss the triangle - these acts are sacraments. Principals on installation are anointed with oil and presented with the Jewel which represents a crown. How can it be denied this is a sacrament.

"The word is Biroth and the import of the Word is "A Covenant"". (Royal Arch installation ceremony of Haggai the Second Principal) Refer to the definition of a Sacrament - "A pledge of a covenant".

Of course it is a convenient fact, established by Grand Lodge to hoodwink the public, that the United Grand Lodge as administered from Freemasons Hall has jurisdiction only over the first three degrees of Freemasonry, i.e. Entered Apprentices, Fellow Craft and Master Mason. It is only on rising to the "Supreme Degree" that one becomes initiated into the Zionist camp. Perhaps Commander Higham does not have knowledge of the "Supreme Degree", but I doubt that a man with the grand sounding title of "Grand Secretary of the United Grand Lodge of England" would be a mere Master Mason. Perhaps economy with the truth is a trait of the craft, for in saying, on a Radio 4 programme, that Freemasonry was not a religion and did not favour any particular beliefs he was confining his "TRUTH" to the lower three degrees. I would go one step further and state that this is high treason against the Monarch. against the

State, against the British people and the people of the World. For in anointing their leaders with oil and bestowing upon them a symbolic crown they have created their own monarchy and system of aristocratic rank and promotion quite separated from the rest of society.

It is of course a falsehood that Grand Lodge only administers Craft Masonry. It is sufficient proof of the falsehood to look at any Grand Lodge yearbook which contains listings of all Craft Lodges as well as Royal Arch Chapters, when they meet and where. It also lists some 5,500 officers of Grand Rank. All Grand Rank officers have progressed way above Craft masonry.

“In the Three Degrees of Craft Masonry you were instructed in, and led to practise, the duty of love to your fellow-men, and in the Supreme Degree of the Holy Royal Arch, that of love to God. May this Jewel serve to remind you of those great duties, and stimulate you to fervency and zeal in their discharge, so that when you shall pass from this life into the Life Eternal, you may indeed inherit that Crown of Glory, of which this Prince Zerubbabel’s Jewel is but a symbol (Royal Arch Rituals)

“Therefore let us with awe and reverence bend before His Holy Name and say “ Almighty Father, who in the hour of peril and persecution assisted Thy Chosen People Israel and subdued their enemies, bestow on us, we beseech Thee, a continuance of Thy favour and protection” (Holy Royal Arch) \*\* Note “Thy Chosen People Israel” \*\* Is this or is this not Judaism? Therefore why does the Church of England omit this from their report?

“Almighty God, who has permitted us to number this our worthy Companion amongst the rulers in the Order, grant that his life and actions may ever be guided by Thy Holy Will and Word, inspire him and us with humility and ready obedience to Thee and Thy Laws, and let that mercy shown to Thy earliest people not be withheld from us, so that after the closing hour of our existence on earth, we may be numbered amongst those elected by Thy goodness into the Temple of Eternal Bliss and Glory.” (A Royal Arch ceremonial prayer. Note “—rulers in the Order.”)

Freemasons of course deny emphatically that Masonry promises any hope of the after life. This they couple with their monotonous denial that Masonry is a religion. Doctor Harold Kirk-Smith, an Anglican

clergyman retired, said in a Radio 4 programme “Pillars of Society broadcast on 27th May 1987 - “Freemasonry is not a religion — there’s no Masonic God — We haven’t any sacrament, we don’t have a priesthood — we don’t promise salvation —” In the previous paragraph we have a Masonic prayer confirming their belief in life after death through THEIR God. Question - Why all the deceit if it is so harmless and above board as they claim?

Refer back to the beginning of this section on Paragraph 58 of the Church of England Report.

In the book “The Royal Arch - Its Hidden Meaning” by George H. Steinmetz the following statement is found: “Again, for Biblical authority, ‘It is like the precious ointment upon the head, that ran down upon the beard, even Aaron’s beard; that went down to the skirts of his garment ... for there the Lord commanded the blessing, even life for evermore.’ Here again is encountered that Masonic double meaning so often present. The scripture just quoted is used in the Entered Apprentice degree. It first mentions ‘how good and how pleasant it is for brethren to dwell together in unity’. To the casual observer it is this pleasant association which is ‘like the precious ointment’ and so it is in the First Degree. However, the second and far more important meaning is that “LIFE FOR EVERMORE” is the objective.

Many readers of this book will say that what has been quoted, in part, sounds perfectly honourable. “inspire him and us with humility and ready obedience to Thee and Thy Laws, and let that mercy shown to Thy earliest people not be withheld from us,-”

“In the Three Degrees of Craft Masonry you were instructed in, and led to practise, the duty of love to your fellow-men, and in the Supreme Degree of the Holy Royal Arch, that of love to God.”

Yes, it sounds absolutely plausible. This is the catch, the deception. The Mason who graduates to the degree of Master Mason has to go through what must be quite a traumatic experience. He is blindfolded or hoodwinked, note the word! He is then marched around the lodge room stopping three times to be assaulted in turn by each of the legendary assassins, Jubelo, Jubela and Jubelum (insert a full description here——). When he is considered symbolically “dead”, the following depends upon the sophistication

of the lodge, he is laid upon a sheet of cloth upon which may be depicted a coffin containing a corpse. In some lodges the candidate is wrapped up in the sheet like a corpse, other lodges go further placing the “corpse” into a coffin, and some even bury the coffin. The candidate is then raised from the “dead” by a Master Mason to be told that he is now above all Earthly matters, conscience and emotions, and, the Law. The candidate has passed through the ceremony which enacts the legend of the murder of Hiram Abiff, the son of a widow sent by the King of Tyre to assist at the building of King Solomons Temple. It is of fundamental importance that the reader appreciate the significance of this ceremony and the status of the Widows Son.

In the Bible, Old Testament, there are many references to the widows and their sons or the fatherless. Society is entreated not to pervert the judgements of widows and widows sons in particular. In the New Testament there is to be found criticism of the lawyers of the day in that they stripped the houses of the widows, presumably because they were easy pickings, there being no man to protect them. Is this kind of behaviour indicative of charity? The answer must be no! Later we will compare the Masonic dogma with that of the Gnostics of the Near East in the early part of the first millennium AD.

So when a man becomes a Master Mason he actually usurps the charitable and protected status of the widow and the widow’s son. When he finds himself in difficulties with the “authorities”, say prosecuted for debt, he only needs to give the sign of the widows son to a masonic judge and the matter will be decided in his favour. The sign conveys the message that the mason is above the law and ruled by the “dictates of his conscience”, he being a “God”, is permitted to do whatever he pleases. Freedom is Power.

Any one who has been dissatisfied with the services of a solicitor and has pursued their complaint through legal channels has soon discovered that there is more than a brick wall protecting the offending solicitor or firm of solicitors. What is this obstacle that has to be surmounted, if surmounted it can be? The legal profession is a closed shop with a sort of trades union that is Freemasonry. Thus we see in this modern age the same continuing arrogant self interest being perpetuated as of Biblical times for which the Pharisees or lawyers were criticised.

When a group of people form themselves into an organisation they take on a kind of strength where each individual contributes to the sum of the group confidence - one might call it “strength in numbers”.

## **THE SHIFTING GOAL POSTS.**

In Jewish writings there is no directly corresponding word for the Christian Cross. The cross “T” on which those condemned to death were crucified, was called “Tau” by the Phoenicians and the Hebrews, and this name and sign for it was afterwards taken over into the alphabet of the Jews and of the Greeks and Romans. The “Tau” features prominently in the Masonic rituals and regalia as a triple ‘\*Taus‘. However, the “Tau” in Freemasonry bears no reference to the Cross of Christianity. Here the word “Tau” is the link once again with Judaism.

The Working Party is supposed to have had amongst its members two Freemasons of Royal Arch rank, and yet nothing is mentioned about its links with Judaism, why not? Is this a too sensitive issue? I have heard it said that the only way for a gentile, goy, akum, profane or whatever to become a Jew is through Freemasonry. Whether this is true I do not question because the evidence points to the facts. Perhaps on joining Freemasonry the entered apprentice has no idea, but it seems that from the Royal Arch Rituals that one virtually becomes a Jew on exaltation to that so called Supreme Degree. One can only wonder how many Freemasons study the Talmud, is this par for the course we may ask.

## **From the Church of England report page 4. Appendix IX.**

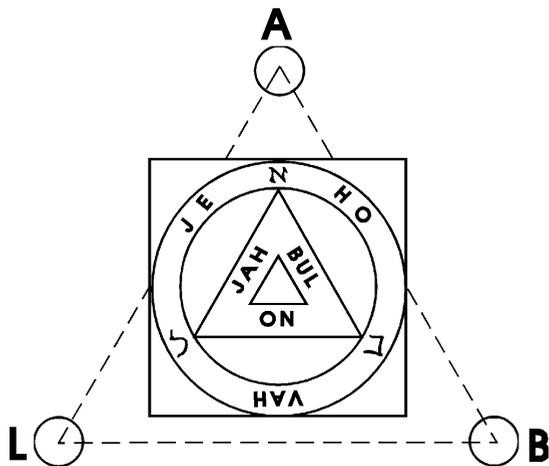

“So what can we offer instead of this Egypto-Syriac conglomeration? Fortunately there is a perfectly good explanation of the words on the triangle, using only the Hebrew language - an explanation that cannot be faulted in any way, and here it is.

“The first syllable indicates eternal existence, the continuing and never ending I AM. The second syllable, as we are told later (unfortunately only as an alternative) really does mean in Hebrew, “in heaven” or “On high” and the third syllable is a Hebrew word for Strength or Power.

“Thus we do not need to go into apologies for faulty scholarship in the past, and we can leave Syria and Egypt and Chaldea out of it altogether; for what we are pronouncing are not three names of God (or worse still the names of three gods, as some would suggest) but we are pronouncing three aspect or qualities of the Deity which are well known and well used, in Christianity and in other religions —”

**COMMENT:** This is yet another example of Masonic “Humbug” where they attempt to justify their transgression of religious guidelines. What is said here is in total contradiction of the Symbolical Lecture and explanation of the Jewel in Royal Arch ritual. The contradiction is contained in their own literature and in particular an example is quoted in the Church of England Report on page 27 paragraph 81 from the Aldersgate Mystical Lecture.

“The word on the triangle is that sacred and mysterious name you have just solemnly engaged yourself never to pronounce...It is a compound word, and the combination forms the word... It is in four languages, Chaldee, Hebrew, Syriac, and Egyptian. JAH is the Chaldee name of god, signifying “His essence and majesty incomprehensible.” It is also a Hebrew word signifying “I am and shall be” thereby expressing the actual, future, and eternal existence of the Most High. BUL is a Syriac word denoting Lord, or Powerful, it is in itself a compound word, being formed from the position

*The design on top of the altar in Royal Arch Chapters*

BAAL, in or on, and UI, Heaven or on High. ON is an Egyptian word signifying Father of All, thereby expressing the Omnipotence of the Father of All, as in that well-known prayer, Our Father, which art in Heaven. The various significations of the word may thus be collected; I am and shall be; Lord in Heaven.”

The Reverend Canon Richard B. Tydeman, Grand Superintendent in and over Suffolk, and a 33rd degree Mason in an address to Grand Chapter on 13th November 1985 attempted to dismiss the Aldersgate ‘legend’ on the grounds that a misconception had arisen as to the origin of Hiram Abiff who, allegedly spoke Egyptian, when in fact, according to the scriptures, Hiram Abiff came from Tyre. This is ‘faulty scholarship’ (the preferred phrase of Masons) all round. The Royal Arch Ritual and Mystical lecture is quite specific about the languages of Chaldee, Syriac, Hebrew and Egyptian - here we have Canon Tydeman contradicting that lecture. To prove that his argument is erroneous we can demonstrate the equation. Refer to the diagram of the Royal Arch Chapter; it will be noted that two of the names of the tribes of Israel are Ephraim and Menasseh, who were the offspring of Joseph and Asenath and therefore the grandchildren of Potipherah the High priest and Prince of On. On was the city where the Egyptian god Osiris was worshipped and which later became the city Heliopolis which is Greek for City of the Sun. This is where the word ‘ON’ enters the Jahbulon equation, so disproving Tydeman’s claim for “Faulty scholarship”. His argument therefore, holds no water and may be wholly discounted as yet another Masonic attempt to deceive, which, of course is the art of the craft.

If anyone believes Canon Tydeman’s letter then the Church have been hoodwinked. It is not surprising however, to discover that once their activities come under scrutiny they change their meanings to evade the criticism and thereby hope to remain above further criticism. Having once silenced the critics they then continue in relative safety undermining our society until the next raising of issues against them. The Royal Arch Rituals and the Mystical Lecture are quite specific about the languages of Chaldee, Syria, Hebrew and Egyptian - yet, here is a clergyman of senior rank, a Mason, contradicting the Masonic instruction.

Here is a quote from a lecture about the Jewel of the Order of Royal Arch Companions. This lecture is not part of the formal ritual, but may be included if so desired. It was compiled by one Elect Companion

Shepherd-Jones, O.B.E., Provincial Assistant Grand Superintendent. "Before the Union, at the beginning of the last century, Freemasonry was essentially Christian, both in character and in ritual, the Royal Arch especially so, for the Royal Arch is wholly spiritual, and very often Chapters were held on Sundays, but outside the hours of divine worship. It is not without interest that the interlaced triangles was an emblem adopted by the early Christians for One who was perfect man and perfect Divine. The former Christian nature of the Royal Arch degree is also apparent from the number of threes in the Chapter - three Principals, three Sojourners, three Syllables of the Word, three Great Lights, three Lesser Lights and many others, some of them having reference to the Trinity." It should be noted here that allusions are made to "perfect man -".

By the same argument it is equally feasible to state that the star, or interlaced triangles is composed of six points, six sides and six angles of sixty degrees hereby heralding the "Beast" or the Anti-Christ of the Revelations, see Chapter 13 verses 15 to 18- "And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six." (666). The signs of the Anti-Christ are the worship of money and material things. So today we are tempted to buy goods we do not need, we are urged to part with money on the promise of making fortunes. The world is being stripped in a merciless way to satisfy the machine of credit and debt with its insatiable appetite for interest. In this we are all enslaved. Number the "sixes" that appear in all forms of trade marks the Natwest Bank sign, an inverted star; the Sun Alliance, three hexagrams; the Anglia Building Society; Racial; Nyrex and so on, all are based on the Hexagram. The National Westminster bank we know is the Masonic bank, W.H.Smith and so on.

"The tau is derived from the Hebrew, and is the mark or sign spoken of by the angel, whom Ezekiel saw in the spirit, when it was said to the man with the writer's inkhorn, "Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof," by which mark they were saved from amongst those who

were slain for their idolatry by the wrathful displeasure of the Most High. In ancient times this mark was placed upon those who were acquitted by their judges in proof of their innocence; and military commanders caused it to be set on the foreheads of the men who returned unhurt from the field of battle, denoting that they were in perfect life. For these reasons it has ever been considered a mark or sign of life. The union of the taus here depicted alludes to the Deity, by whom the gloomy, horrific and unshapen chaos was changed into regular form and peaceful existence.

“(Most Excellent Zerubbabel returns to East side of Altar. Principle Sojourner brings the Candidate to south side. First Assistant Scribe attends on left side of Candidate. Most Excellent Zerubbabel may here invite any Companions who wish to do so, to gather round the Altar.)

“On this plate of gold are a circle and triangle. These mathematical figures have ever been selected as referring to the Deity, or some Divine attribute. The circle is an emblem of eternity; for as it has neither beginning nor end, it may justly be deemed a type of God, without beginning of days, or end of years, and it continually reminds us of that great hereafter, when we hope to enjoy endless life and everlasting bliss.”

Here again, the promise of everlasting life - the promise which was denied by Dr. Harold Kirk-Smith and Canon Richard Tydeman. Does any organisation promise “everlasting life” apart from a Religious one?

“The word in the circle is Jehovah, that great, awful, tremendous and incomprehensible name of the Most High. It signifies, I AM THAT I AM - the Alpha and Omega - the Beginning and the End - the First and the Last - Who Was and Is, and Is to Come - the Almighty. It is the name of the actual, future, eternal, unchangeable, and all sufficient God, Who alone has His being in, and from Himself, and gives to all others their being; so that He is what He was, was what He is, and will remain both what He was and what He is, from everlasting to everlasting, all creatures being dependent on His mighty will and power.

“In times of antiquity, names of God, and symbols of Divinity, were always enclosed in triangular figures. In the days of Pythagoras the triangle was considered the most sacred of emblems, and when any Obligation of more than usual importance was to be administered, it was invariably given on the triangle, and when so taken none were ever known to

violate it. The Egyptians termed it the sacred number, or number of perfection; and so highly was it prized by the ancients that it became amongst them an object of worship. They gave it the sacred name “God”, affirming that it represented the animal, vegetable, and mineral kingdoms. They also called it “Araboth,” which signifies soul of Nature. This Sacred Delta is usually enclosed within a square and circle, thereby expressing its vivifying influence, extending its ramifications through all created nature: For these reasons it has ever been considered the “Great All”, or “Summum Bonum”. (Royal Arch Ritual) Freemasons are known to one another by signs made in the forehead and by hand shakes and by the Masonic emblem, the seal of Solomon, and the Star of Israel are all one and the same device. Masons Create their own “trade marks” based on this geometric figure. (See elsewhere in this book.)

In the book “The Royal Arch - Its Hidden Meaning” by George H.Steinmetz the following statement is found on page 117: “However, the apron changes stop at the third position while the square and compasses continue to progress until they evolve into a six pointed star, the shield of David, displayed in the centre of the Lodge room floor.”

A Candidate for exaltation to the Supreme Degree is expected to take a solemn obligation here quoted verbatim.

“I, ————, in the presence of The True And Living God Most High, and of this Holy Royal Arch Chapter, duly constituted, consecrated, and congregated, of my own free will and accord, do hereby (Principal scribe with his left hand touches hand of Candidate) and hereon (Principal Scribe with his left hand touches the volume of sacred Law), most solemnly promise and Swear, that I will hele, conceal, and never divulge any of the secrets or mysteries restricted to this Supreme Degree, denominated the Holy Royal Arch of JOVE, to anyone in the world, unless it be to a true and lawful Companion of the Order whom I shall find to be such after strict examination- I further promise that I will not dare to pronounce that sacred and Mysterious Name which may now for the first time be communicated to me, unless in the presence and with the assistance of two or more Royal Arch Companions; or in the body of a lawfully constituted Royal Arch Chapter, whilst acting as first Principal. All these points I solemnly swear to observe, **without evasion, equivocation, or mental reservation of any kind**, under the no less penalty on the violation of any of them, than that of suffering loss of life by having my

head Struck off. So help me The True And Living God Most High and keep me steadfast in this the sacred and solemn obligation of a Royal Arch Mason.

**COMMENT:**

1. The word “consecrated” implies a place set aside for a special purpose for a religious ceremony. Who has the authority to “consecrate” a place? Surely this is a rite performed only by a Bishop?

2. Note the word “Jove”. Jove was the Roman God Jupiter and the Greek God Zeus. How is the Holy Royal Arch of Jove enmeshed with Jehovah? Perhaps the Masonic reasoning is that “Jove” is a shortened version of Jehovah, in which case this is further proof of blasphemy.

3. The mysterious name is JABULON. Let any Mason deny it, as many have done, they are liars.

4. Masons will often describe the Volume of Sacred Law, or V.S.L, as being any religious book, the Koran for example. But this is yet another deception, like that of “changes made to admit men of other faiths”. The VSL IS the Bible, it can be nothing else. No other book contains, for example the book of Hosea from which is quoted the passage concerning the passwords of the Royal Arch, Ammi and Ruhama.

5. Masons are forbidden to say the word JABULON in one breath. The ritual in the Royal Arch is performed by three masons embracing each other. The first says “JAH”, the second says “BUL” the third says “ON”, then the second says “JAH”, the third says “BUL” and the first says “ON”, this is repeated beginning with the third. Thus each one has said the word.

To render this a solemn Obligation the candidate is requested to kiss the Volume of Sacred Law (The Bible] four times. How can anyone deny that this act is anything other than a sacrament, albeit a sacrilegious one. An oath taken under these circumstances is a religious ceremony, of that there can be no doubt.

The taking of oaths are expressly forbidden in the Bible, for exam-

ple: Exodus chapter 20 verse 7 “Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain.” The same words are written in Deuteronomy chapter 5 verse 11. In the General Epistle of James chapter 5 verse 12 we have the following passage “But above all things, my brethren, swear not, neither by heaven, neither by the earth, neither by ANY OTHER OATH: but let your YEA be YEA: and your NAY, NAY; lest ye fall into condemnation.” Similarly we are told by Jesus, as recorded in Matthew chapter 5 verses 34 to 37: “But I say unto you, swear not at all; neither by heaven; for it is God’s throne: 35. Nor by the earth; for it is his footstool: neither by Jerusalem; for it is the city of the great King: 36- Neither shalt thou swear by thy head, because thou canst not make one hair white or black: 37. But let your communication be yea, yea; Nay, Nay, for whatsoever is more than these Cometh of evil:”

**So there we have it, the written word in proof of the incompatibility of Freemasonry with Christianity!**

Before the Candidate is entrusted with the “word” a lengthy ritual is exercised which re-enacts the return of three sojourners to Jerusalem from Babylon, Who claim to be descended from a race of patriarchs and kings. “——:but we are nobly born, and like yourselves descended from a race of patriarchs and kings, Abraham, Isaac, and Jacob were our forefathers, Most Excellent we are of the Royal line of David and princely tribe of Judah etc.” To be in strict accordance with such a claim, the selection procedure for Candidates to be raised to the Royal Arch Degree must be quite strict, in fact candidates must express Jewish sympathies and or characteristics. The sojourners Symbolically find a concealed chamber containing a missing scroll and an altar. The candidate is lowered into this chamber, and after much symbolism concerning light, he is unmasked and sees the names upon the altar. The name “Jehovah” being inscribed around a Circle within which is an equilateral triangle upon whose sides are the Syllables “Jah”, “Bul”, and “On”.

We have seen from an earlier quotation the concern of a Freemason for the manner in which the rituals and ceremonies have been changed. Today, only the old Testament portion of the Bible is used for quotations. For example Genesis chapter 49 where Jacob gives his blessings to his sons shortly before his death. Of special note are Verses 5 - 7 “Simeon and Levi are brethren; instruments of cruelty are in their habitations. O my soul, come not thou into their secret: unto their

assembly, mine honour, be not thou united: for in their anger they slew a man, and in their selfwill they digged down a wall. Cursed be their anger, for it was fierce; and their wrath, for it was cruel: I will divide them in Jacob, and scatter them in Israel.” From verses 8 - 12 we note that Judah, the fourth Son of Jacob is promoted over his brothers. “Judah, thou art he whom thy brethren shall praise: thy hand shall be in the neck of thine enemies; thy father’s children shall bow down before thee. etc.” The Royal Arch sets Judah as the number one tribe in the lay out of the Chapter. If you then refer to Genesis chapter 34 verse 25 - concerning the evil deeds performed by Levi and Simeon in the massacre of the men of Shechem after the Israelites had insisted upon them being circumcised; this is expected to be “RIGHT CONDUCT”. Jacob’s own conduct was hardly commendable by Christian or social standards even of the day. For he steals his brothers birthright, he then steals his father-in-laws cattle, sheep and goats by trickery (Genesis chapter 30 verses 37-43). Rachel steals her fathers treasures and holy relics. Jacob commits adultery with both the handmaidens of Leah and Rachel. You begin to realise that the foundation of Judaism is suspect from the very beginning. Now consider a Freemason instructed in these happenings and being told that he is descended from that “Royal line”, which obviously boosts his self-confidence no end. Then he is told to study these parts of the Bible as a “practice of every moral and social virtue”, which would explain amply the causes of their conduct in cheating their fellow countrymen. What we have with the Jewish faith, and this is amply borne out by the Bible alone, is a psychological phenomenon, an inverse guilt complex common to human nature whereby the transgressor seeks to mask his misdeeds by a perverse persecution of those against whom he transgressed. We may speculate that the result of these, one can only call them, unsociable, acts described in the Bible, led to the foundation of an alternate cult in the Middle East where fear of a vengeful deity took the place of mans natural curiosity and amazement at life’s mysteries and glory. The original text of “God’s Will” was designed to put mankind on the road to fulfilment through his own natural ability for good and neighbourliness. But Judaism has introduced fear, suspicion and mistrust into all our daily lives, for when Laban made a covenant with Jacob; after Jacob’s deception, and set up a pillar and a heap of stones, the first boundary was laid where there had been before no boundary. Genesis chapter 31 verse 52 “This heap be witness, and this pillar be witness, that I will not pass over this heap to thee, and that thou shalt not pass over this heap and this pillar, unto me for harm.”

Canon Tydeman, in his address, quoted or misquoted the apostle Paul, "All things are lawful unto me but all things are not expedient." Here is an amazing slip, "All things are lawful unto me ---!" in other words "I can do whatever I like!" It was said in the Church Synod report that Tydeman was Grand Superintendent of all Suffolk. It has also been stated, presumably to allay fears of Good Church going folk, that clergy attend Lodge meetings only in their capacity as clergy to say the prayers. Well have we got news for you! Take just one example from the Cambridgeshire year book, we find there listed under "SUPREME COUNCIL 33RD DEGREE OF THE ANCIENT AND ACCEPTED RITE" the following names:-

Sovereign Grand Commander.	Rev.Canon Richard Tydeman, 33 <sup>0</sup>
Grand Captain General.	The Rt.Hon. The Lord Swansea, 33 <sup>0</sup>
Grand Prior	Rev. Dr.M.Morgan, 33 <sup>0</sup>
Inspector General for Norfolk and the Isle of Ely	Rev.Canon H.R.Barker, 33 <sup>0</sup>
Past Sovereign of the University Chapter Sovereign Princes Rose Croix	Rev.W.H.Davis, 30 <sup>0</sup>
and	The Rev.Canon W.D.Hutchinson, 30 <sup>0</sup>

(Anointed with oil - no doubt)

We find our friend Canon Tydeman popping up all over the place. He is listed as Grand Sovereign Most Illustrious Knight Reverend in The Masonic & Military Order of the Red Cross of Constantine & the Orders of the Holy Sepulchre & of St.John the Evangelist.

### **THIS IS TREASON AGAINST THE CROWN**

Freemasons often deny any connection with organisations such as the Rosicrucians. It is claimed by some that the Rosicrucians were founded by a man called Christian Rosenkreuz. That is further deceit. In the Cambridge year book we find listed "Societas Rosicruciana in Anglia". Rosenkreuz mans Rose Cross or Rose Croix. The Royal Arch is referred to as the Rose Croix.

Rosicrucian - a member of an alleged secret society whose members made great pretensions to knowledge of the secrets of nature, transmutation of metals, elemental spirits, magical signatures etc. Affirmed to have been founded by Christian Rosenkreuz, a member of one or other of various modern fraternities. (Chambers Dictionary)

## Appendix X.

Appendix X of the C of E Report deserves reproduction in full:-

Two Extracts from letters from ex-masons.

1. "For a long time, even after my conversion, I defended masonry, and maintained that I was able to reconcile its philosophy and precepts - supposedly based on teaching morality and charity - with Christianity.

"But in His time, and in His own gentle way, the Holy spirit began to show me how blind I had been, and how effectively the enemy can use his weapons of subtlety and rationality in the blinding process. It was to the point of having my eyes fully open, and my heart sufficiently convicted of the evils attaching to masonry and the powerful bondage it imposes. It was one of the hardest things I have ever had to do - getting rid of my regalia, masonic literature and all the outward trappings of this evil craft. But this was not enough - the Holy spirit showed that another step had to be taken in order to completely release me from the bondage I was in, and that was to approach a brother in Christ who would pray for my release. This he did, with the laying on of hands.

"What a beautiful sense of lightness and freedom I experienced when that oppression was lifted!

2. A young man in his early forties confided in me recently about obscene sexual images that he was having during his times of spiritual communion, as well as disturbing feelings about blood and killing loved ones. This man is stable, mature, and has no history of mental illness. After counselling it was discovered that the sexual imagery was linked to Freemasonry symbols, the blood and the knife which he was tempted to use to kill a loved one was linked with the Oaths in Freemasonry. When this man was cut free from all his links with Freemasonry in the name of Jesus those very disturbing feelings and images went and he has not been troubled since.

Further research into the Talmud gives us clues into the imagery and offers made to Masons either direct or in subtle ways.

From Mo'ed Katan, 17a "When one finds that evil appetites are taking hold of his senses, let him repair to some place where he is unknown, let him dress himself in black and follow the impulses of his heart." Refer to the Masonic instruction "--to obey the dictates of his conscience."

From Aboda Shara, 37a. "A Gentile girl who is three years old can be violated."

From Choschen Ha'mischpat. "Inasmuch as a non-Jewish child at three years and a day is suitable for copulation, her raper is only unclean until the evening, when he is clean again after taking a dip in the water."

From Jore Deah. "If a Jew has raped a non-Jewish girl and another who saw it is called as a witness, that Jew must, without compunction, swear falsely."

From Sanhedrin 69b. "All agree that the connection of a boy aged nine years and a day is a real connection; whilst that of one less than eight years is not."

From Kethuboth 11b. "When a grown up man has intercourse with a little girl it is nothing, for when the girl is less than three years old it is as if one puts the finger into the eye - tears come to the eye again and again, so does virginity come back to the little girl under three years. When a small boy has intercourse with a grown woman he makes her as a girl who is injured by a piece of wood."

It is interesting to note in passing in connection with Talmudic inspired paedophilia that Harry Bidney and David Calderhead, leaders of a Zionist "Jewish Defence" organisation, the "62 Group", active in Britain during the 1960s and early '70s, were convicted at the Old Bailey on 5th August 1977 for running what the trial judge called "a disgusting and disgraceful vice ring." They had been touring the Soho amusement arcades picking up very young runaway boys for sexual purposes.

It may be the case of course that the entire translation of the Bible under James II has been deliberately misinterpreted under the Jacobite

influence, to mislead Christians into being led like sheep to the slaughter. From my own experience as a Christian, and from those fellow countrymen who have contacted us, we can safely confirm that we are under an equally oppressive persecution as were the pilgrim fathers who set sail for the New World - would that we had a New World to seek out.

It has been shown that Freemasonry is Judaism, but what is merely hinted at in the Royal Arch Rituals is explicit in the Talmud, for RA masonry is the practice of Talmudic Judaism..

From Babha Bathra “All things pertaining to the Goim are like a desert; the first person to come along and take them can claim them for his own.”

From Choschen Ham “A Jew may keep anything he finds which belongs to the Akum, for it is written: Return to thy brethren what is lost (Deuteronomy chapter 22, verse 3). For he who returns lost property (to Christians) sins against the Law by increasing the power of the transgressors of the Law: It is praiseworthy, however, to return lost property if it is done to honour the name of God, namely, if by so doing Christians will praise the Jews and look upon them as honourable people.”

Again from Choschen Ham “If a Jew is doing good business with an Akum it is not allowed to other Jews, in certain places, to come and do business with the same Akum. In other places, however, it is different, where another Jew is allowed to go to the same Akum, lead him on, do business with him and to deceive him and take his money. For the wealth of the Akum is to be regarded as common property and belongs to the first who can get it.”

From Zohar - “Rabbi Jehuda said, “By wise counsel thou shalt war against them\* (Proverbs Chapter 24, verse 6) By what kind of war? The kind of war that every son of man must fight against his enemies, which Jacob used against Esau - by deceit and trickery whenever possible. They must be fought against without ceasing, until proper order be restored. Thus it is with satisfaction that I say we should free ourselves from them and rule over them.”

Here yet again is the confirmation of the guilt of the transgression against Esau and admission that they, the descendants of Jacob, are

waging a continual financial war against us until eventually everything belongs to them. Jesus Christ said “what shall it profit a man if he gains the whole world and lose his own soul?” The problem was not dissimilar in those times. By such statements and by such evil doctrine we may assume the Jews have lost their souls and strive to gain the whole world for themselves in compensation. Hear what St Paul said in his epistle to Titus: “For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre’s sake. One of themselves, even a prophet of their own, said, ‘The Cretans are always liars, evil beasts, slow bellies.’ This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; Not giving heed to JEWISH FABLES, and commandments of men, that turn from the truth.” (Titus chapter 1 verses 10 to 14.)

## **A LAW UNTO THEMSELVES.**

Read further the passage from the second chapter of Romans. “For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves: — Behold, thou art called a Jew, and restest in the law, and makest thy boast of God, And knowest his will, and approvest the things that are more excellent, being instructed out of the law; And art confident that thou thyself art a guide of the blind, a light of them which are in darkness, An instructor of the foolish, a teacher of babes, which hast the form of Knowledge and of the truth in the law. Thou therefore which teachest another, teachest thou not thyself? Thou that preachest a man should not steal, dost thou steal? Thou that sayest a man should not commit adultery, dost thou commit adultery? Thou that abhorrest idols, dost thou commit sacrilege? Thou that makest thy boast of the law, through breaking the law dishonourest thou God? For the name of God is blasphemed among the Gentiles through you, as it is written.”

On page 17 of the Church of England report reference is made to the Sermon on the Mount when Christ entreats people to “swear not at all”. The Working Group find difficulty in reconciling the “extravagant oaths” of Freemasonry with that of the instruction of Christ. People are expected to swear an oath upon the Bible in Court - this also is blasphemy by Christian teaching. If we refer to the Acts of the Apostles chapter 23, Paul is in conflict with the Sadducees and

Pharisees, the former did not believe in the resurrection while the latter did, at verse 12 there is described a band of Jews binding themselves with an oath that they would neither eat nor drink until they had killed Paul. The difference between Jewish religion and Christianity is here shown clearly in the taking of oaths, similarly the difference between Freemasonry and Christianity.

We now have a race of people who have put themselves above the Law of God, and who consider themselves equal to God. "A Jew, by the fact that he belongs to the chosen people and is circumcised, possesses so great a dignity that no one, not even an angel, can share equality with him. In fact, he is considered almost the equal of God." (Chullin - Talmud) "He who strikes an Israelite" says Rabbi Chanina "acts as if he slaps the face of God's Divine Majesty.- (Sanhedrin - Talmud) "A Jew is always considered good, in spite of certain sins which he may commit; nor can his sins contaminate him, any more than dirt contaminates the kernel in a nut, but only soils the shell." (Chagigah - Talmud) "A Jew alone is looked upon as a man; the whole world is his and all things should serve him, especially 'animals which have the form of men'."

Here again is the proof of the arrogance of these people, for the Royal Arch Jewel has inscribed on one side on the "material" triangle the words "Cultor Dei", "Civis Mundi" on the second side, and the third side is left blank for the inclusion of the candidates name. Translated, this inscription now reads "—— worshipper or reverencer of God, a citizen of the World."

"God created them in the form of men for the glory of Israel. But Akum were created for the sole end of ministering unto them (the Jews) day and night. Nor Can they ever be relieved from this service. It is becoming to the son of a king (an Israelite) that animals in their natural form, and animals in the form of human beings should minister unto them." (Midrasch Talpioth - Talmud)

"The seed of the Goy is worth the same as that of a beast." (Kethuboth - Talmud)

"Now the serpent was more subtle than any beast of the field, etc. (Genesis chapter 3 verse 1) "More subtle," that is towards evil; "than all the beasts" that is, the idolatrous people of the earth- "For they are the children of the ancient serpent which seduced Eve." (Zohar - Talmud)

(Refer to the Biblical quotations which state quite categorically that there were no people before the Jews who practised the art of buggery etc.

The Old Testament is specific, and the New Testament (John 8 v 44 states “Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.”)

Compare these Talmudic quotations with this extract from the “Protocols”.

“Meantime, however, until we come into our kingdom, we shall act in the contrary way: we shall create and multiply Free Masonic lodges in all countries of the world, absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above mentioned administration of masonry and from whom will issue the watchword and programmes. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. They will be composed of all strata of society. The most secret political plots will be known to us and will fall under our guiding hands on the very day of their conception. Among the members of these lodges will be almost all the agents of international and national police, since their service is for us irreplaceable in the respect that the police are in a position not only to use their own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, etc.

“We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and - the main thing - millionaires, because in substance everything will be settled by the question of figures.

“Our countersign is - Force and Make-believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning and make-believe the rule for governments which do not want to lay down their crowns at the feet of agents of some new power. This evil is the one and only means to attain the end, the good. Therefore we must not stop

at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty.”

Royal Arch Rituals clearly demonstrate the link between Masonry and Zionism. The Talmud clearly shows the Jews hatred for the Goim/Goyim, and their instructions, claimed to be from above, are to dispossess the Goyim of everything, even the world. The protocols confirm the link between the evil laid down in the Talmud and the plan now coming to its conclusion through the officers of the Freemasonic movement. Christian, Moslem, Hindu, Buddhist et al beware - perhaps it is even now too late to redress the situation. For the Talmud and the Protocols both proclaim the destruction of religion as a prerequisite of world domination by the chosen people and so the plan goes on as written in the Talmud and now foretold in the Protocols.

And so the manuscripts, alone from which quotations have been taken, demonstrate the “frightful destiny” (Dr. Billy Graham) in store for mankind and the world at large. The quotations from the Talmud are a soft sample for there is much worse contained therein. Jesus Christ himself said “Thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.” The world must surrender to our Lord Jesus Christ not He to it.

Finally may we draw your attention to a quotation from the Holy Bible, and which is not part of Freemasonic ritual but seems to be a fitting warning by God. Proverbs chapter 6 verses 12-20.

“A naughty person, a wicked man, walketh with a froward mouth. He winketh with his eyes, he speaketh with his feet, he teacheth with his fingers; Frowardness is in his heart, he deviseth mischief continually; he soweth discord. Therefore shall his calamity come suddenly: suddenly shall he be broken without remedy. These six things doth the Lord hate: yea, seven are an abomination unto him: A proud look, a lying tongue, and hands that shed innocent blood, An heart that deviseth wicked imaginations, feet that be swift in running to mischief, A false witness that speaketh lies, and he that soweth discord among brethren.” This indeed describes Freemasons with complete accuracy. “Vicisti Galilae”

## SUMMARY:

It has been demonstrated that Freemasonry is something other than a mere club for men to meet as friends 'for a bit of fun', it is a Secret Service acting for a secret and insidious sect of people who are bent upon subduing the peoples of the World, a world which they intend to control because they claim it belongs to them alone. This is the most serious threat to civilisation this planet has ever seen. The majority of humanity will become as rats and of no use whatsoever to the ruling body of Jews. The Goyim shall be exterminated as vermin when the time comes. The reported 'horrors' of the extermination camps in Germany in the last war will be considered only as an excuse for the extermination of the Goyim, the scale of which will make the Nazi war crimes look like schoolboy pranks by comparison.

Read what Hitler himself said to Hermann Ransching "I got illumination and ideas from the Freemasons that I could never have obtained from other sources." Those words are echoed by Adam Weishaupt "——I have learnt a great deal from Marxism —— The whole of National Socialism is based upon it." Adam Weishaupt was a Jew; Karl Marx was a Jew by birth and the founder of Communism. Thus dare we say that the National Socialist anachronism NAZI is a shortened version of NAtional ZIOnism?

The point is this, we are not merely talking about Freemasonry; if we were the remedy would be relatively simple. What we are considering is a complete world takeover by one sect, one race who have developed the means by which to achieve such a goal without the force of arms - so far! Let me qualify that last statement - any force of arms employed by them has not been their own.

Surely anyone can see that what we have in Freemasonry is contrary to the teaching of Christ, but more important, contrary to the welfare of mankind and of this planet. Why do you suppose we continue with this make believe stand off between Russia and the West? The same elect few control Russia as control the West. The Goyim are thus set against one another and waste resources in the arms race. When the time is right, and that time is not far away, THEY will initiate the Third World War. You know it was Zionists who instigated the Bolshevic revolution in Russia - that was the only way they could gain power and eliminate the aristocracy.

In the West, that revolution was already almost completed with the French revolution and the English Civil war, and here the in-roads were already made to the seat of power.

“The Citadel will be stormed under the banners of Liberty and Democracy: and once the apparatus of power is in the hands of the Brotherhood, all opposition, all contrary opinions, must be extinguished by death. Democracy is but a tool to be used and afterwards broken; Liberty but a sentimental folly unworthy of the logician. The absolute rule of a SELF CHOSEN PRIESTHOOD according to the dogmas it has learned by rote is to be imposed upon mankind without mitigation progressively forever. All this set out in prosy textbooks, written also in blood in the history of several powerful nations, is the Communists’ faith and purpose.” (From an essay by the late Sir Winston Churchill on Leon Trotsky)

COMMENT: Trotsky was a Bolshevich Jew, real name Bronstein.

The Church of Jesus Christ in all its forms is infiltrated with Freemasons. Freemasons are Zionist agents, as we have proved, traitors to the citizens of the world. Herein lies the “Riddle” “In the beginning was The Word and the Word was God.” The Levites created the Word (The Law) and made it “God” for their own gain, attributing to that “God” wrath and vengeance thus enforcing the Law by fear. In so doing, the Levites tried to destroy the God of the natural Law and the Law of Moses. Jesus Christ came to restore that Law - the natural Law established by the True Creator. We through Jesus Christ have a duty invested in us to fight against this evil - and unless we do so with the utmost vigour we condemn our children to a Dark Age the like of which has never been witnessed by mankind. You by direction of the Synod have the chance to expose for all to see, this horrendous evil. Unless you do, the teachings of Jesus Christ have fallen upon deaf ears.

## **FOOD FOR THOUGHT.**

We are fond of assumptions in this World of ours today, we are even prepared to let court judgments stand on assumptions, so consider this assumption:-

I will start by revealing some published figures. The leading American reference year book, the World Almanac, in 1937 gave the figure of the World Jewish population as 15,688,259. In later editions this pre-war figure was increased to 16,643,120. The New York Times - which is Jewish owned - published in 1948 - 3 years after the war had ended - a computed figure for the World population of Jews of between 15,700,000 and 18,600,000. If either figure is correct this meant that the Jewish population either remained static or increased during the war years! So where is the justification for the claim that 6,000,000 Jews were massacred? Remember, both sources are from the Jews.

Now let us consider that Hitler was sympathetic towards Communism - why not? His plan for Europe was in line with the ideals of Communism - a National Socialist government! He even had a pact with Russia and was friendly towards Stalin. The protocols tell us that any anti-Semitism is by design of the elders. So, to create a world propaganda "craze", the elders arrange the publication of anti-Semitic literature, the excuse for such propaganda was the failure of the German economy attributed to the Jews. Obviously to instil realism and fear into the propaganda some people must be sacrificed. Now we know that from the figures supplied for the victims, those of Jewish stock were a small percentage of the total of all creeds who "disappeared". The government of Russia had been taken over in the Revolution by none other than a sect of Jews, who, continue to this day to persecute peoples of all creeds and least of all their fellow Jews. The contention is this: had there been so many Jews in Germany, Hungary, Poland, Austria etc. it would have been an extreme form of cowardice if none of them organised any form of resistance in self-defence, after all they are accredited as being a race of "ingenious and peculiar talents". But, according to all accounts they went "as sheep to the slaughter". Some even reported that they were told they were going to "safe places" away from the war zones. Suppose this were true. Suppose those European Jews were bundled onto trains, just as the Germans told them that they were going to "safe places", they would go willingly, that were taking them - not to the concentration camps but deep into Russia where they would be safe. Now let us consider the other side - the evidence that would be needed after the war. Evidence to throw the mass population of Christendom into a state of abject sympathy for the Jews. This would put the Western states into a very receptive posture for the assimilation of those evacuated Jews. The physical evidence of the massacre would be satisfied by the thousands of bodies of Christians and

other faiths together with a small sample of Jews, some of whom would be spared to bear witness to the “crimes”. Eye witness accounts relate that 90% of the occupants of those camps were non-Jewish. This would in effect mean that the Nazis would have had to slaughter 60,000,000 people in all. Eye witness accounts also relate that many of the doctors and administrators of the camps were Jews themselves. If such a thing were so, it would explain why the Russians do not wish to let Jews out of Russia, after all they may be able to illuminate the Western people

“Certain symbolic deeds were evidently meant to establish the authorship, or nature, of the vengeance. These crowning acts of symbolism were the reproductions, after nearly thirty years, of the similar acts committed during the revolution in Russia: the Talmudic boast left on the wall of the Romanoffs’ death chamber and the Canonisation of Judas Iscariot after the Second World War. The Nazi leaders were hanged on the Jewish Day of Judgment in 1946, so that their execution was presented to Jewry in the shape of Mordecai’s vengeance on Haman and his sons. Then in the Bavarian village of Oberammergau, where the world-famous Passion Play had been performed for three centuries, the players of the chief parts were put on trial for “Nazi activities” before a Communist court. Those who appeared as Jesus and the apostles were all declared guilty; the one performer acquitted was he who took the part of Judas!” (Extract from *The Controversy of Zion* by Douglas Reed.)

On a BBC Radio 4 Today Programme on August 1st 1987, a Jew, one Doctor Uri “Schiller” (I put the name in quotes because I am not sure of it) said about the play “Perdition” that it ought to be allowed to be performed because it exposed truths about the collaboration of the Jewish elders with the Nazis in the war.

## **THE MASONIC LINK TO FASCISM.**

There have been many “myths” propagated throughout history surrounding the perceived threat of a global conspiracy controlled by an elect few whose identity always remains secret and whose purpose is veiled in mystery. The conspiracy is often laid at the foot of the Jews and variously aimed at other systems of social order to which such a label may be attached for the purpose of discredit.

One such example has recently come to my notice, which confirms my earlier theories and goes some way to being an illustration clarifying this phenomenon and the reasons underlying it.

“The New World Order” is the title of a book recently published and written by A.Ralph Epperson. Chapter 17 of the book is of particular interest and deals with Adolph Hitler, which it claims was a Satanist. Epperson writes that the Thule Society was the secret prime mover of Nazism, it was, he states “but a fragment of a much more important secret society known as the Germanic Order founded in 1912.”. Epperson says that the Germanic Order had its origin in other secret societies and “gathered together certain lodges of the Prussian Freemasonry, as well as a number of openly anti-Semitic associations.”

The reader should note at this point that there is a contradiction of terms here, as so often happens in matters describing the Great Conspiracy theory. Freemasonry is Judaism. Therefore it cannot be openly anti-Semitic or in any way anti-Semitic. At this point it is sure that Masons will try to counter the statement that Freemasonry is Judaism. Like many secret societies, and the Thule society is one, there are two tiers of membership, at least; those who know the secrets and those who do not. For the record, the rituals of the Holy Royal Arch of Freemasonry are practised in a chapter room which faces due East West. At the East end is the altar above which are the emblems of the man, the bull and the lion which are the ancient symbols from the temple of Solomon. On either side of the chapter are arrayed the banners of the 12 tribes of Israel. In the rituals are expressed the claim to be “*descended from a long line of kings and princes, Abraham, Isaac and Jacob are our forefathers*”. The First Principal of the chapter is one referred to as Most Excellent Zerrubbabel; this is an alternate name for Beelzebub or Satan. The candidate who is elevated to the First Principal’s chair is given a “jewel” to represent a crown, having been anointed with oil during the ceremony. The “jewel” is made of Masonic gold and appears as a six pointed star composed of two interlaced equilateral triangles. This geometric figure is enclosed in a circle. Within the centre of the interlaced triangles is a further triangle containing an image of the Sun below which is a pair of compasses enclosing the Earth in a triangle. Along each side of the interlaced triangles on one side of the “jewel” are inscribed the words - “Wisdom - Strength - Beauty - Peace - Concord - Truth.” Around the circle is inscribed in Latin “Deo Regi Fratribus honor fidelitas benevolentia”, which translated reads “To God honour, to the King

fidelity, to the brotherhood benevolence.” From experience “To the rest of us malevolence”. On the reverse side of the “jewel” inscribed on the circle are the words “Si talia jungere possis sit tibi scire satis,” which means “If thou canst understand this thou knowest enough.” What is it that they must understand? The lectures claim that it is the Will and Law of God. It is the Grand design of being happy and communicating happiness. How many of us have had our lives made completely miserable by Freemasons who use the organisation for their own aggrandisement to the detriment of non-masons. The tenets of Freemasonry are contradictory. On the one hand is the claim to obey the will and Law of God as set down in the Bible to which they refer as the Volume of Sacred Law. In the Bible is the exhortation to “pervert not the judgement of the widow and the fatherless”, and not to practice necromancy. Necromancy is the ritual of burying people alive and then pretending to raise them from the dead. Such a ceremony is practised in every Masonic Lodge when the candidate is initiated into the degree of master mason. In order to become a Master Mason, the candidate has to become the son of a widow and play act the role of Hiram Abiff, the widows son sent from Tyre to assist at the building of King Solomon’s temple, and, who, as Masonic legend tells was murdered by three Masons for refusing to give up his secrets. The Lodge in effect takes the place of the candidates mother, thereby in a single act the Mason disowns his mother and father. In a single act we see four crimes against divine law, the dishonouring of father and mother, the act of necromancy, the perversion of the judgement of the genuine widows and fatherless, and greatest of all, the tempting of God himself.

From Trevor Ravenscrafts book “The Spear of Destiny” “The inner group which controlled the Thule Society contained men who were self-confessed Luciferians...”

Hitler himself was a member of the Thule Society and became a Luciferian. Hitler was also known to have commented that he was a Freemason, indeed he claimed to have learned more from Freemasonry than from any other form of dogma. “In Hitler’s observations, published under the title “Hitler Speaks” one can rediscover the important role played by German Freemasonry as a model for the esoteric structuring of the Nazi party.” ‘The Occult and the Third Reich’ by Jean-Michel Angebert. Hitler was absorbed by the works of the philosopher Friedrich Nietzsche: “..whose powerful dissertation on the ‘Genealogy of Morals’ sought to make a ‘Re-valuation of all values’ in the proof that so-called evil was good, and what

was habitually believed to be good was evil.” Here again is the thought that the god of the Bible is “evil” and somehow the “god” considered to be evil is “good”. In other words a complete mirror image of reality.

Further proof of the mirror/reverse image of morality is shown by the ancient symbols of the swastika and the suwastika. The suwastika with limbs pointing to the left like flags trailing from the arms of a clockwise rotating cross represented the path of the sun as it traversed the heavens by day. The Swastika represented the counter clockwise movement of the Sun as it passed through the underworld by night. In the Masonic handbook for the Entered Apprentice, the swastika is described as the lost symbol/emblem of Freemasonry. This is yet another link to the underworld and demonstrates that Freemasonry is a system which tries to unify the sources of Good and evil as emanating from the same source. “If thou canst understand this then thou knowest enough!” In order to ensure dominance, the law is used to differentiate between good and evil, right and wrong, so that those souls who are not privy to the secret are bound by the chains of the law and those who are privy to the secret are relieved from the restraints of the law, and this is ensured by complete control of the legal system.

We have in the Jewish faith just such a contradiction. We have the laws of God which are an extension of the Law of Nature, a code by which mankind and the world will survive and thrive for the good of all creatures, and we have the laws of the Rabbis written into the Talmud which lays down a counter set of laws by which the “Jews” only will prosper at the expense of the non-Jews. Anything by way of deception is permitted. to the dispossession of the Goyim from land, property, business, money, livestock, health and happiness. In short, a doctrine of destruction opposed to creation. Refer to the article by Winston Churchill quoted on page 3.

This contradiction is further exemplified in the Masonic tuition of the Entered Apprentice, for we find there written the following instruction:- *“Like Holy Writ, the Ritual is capable of many interpretations. It is a gradual accretion in which succeeding epochs have left their mark. Evolution takes place under the alternation of forces that make for difference and agreement. The process demands a continual adjustment between these apparently contrary, but in reality complementary factors. Each age sets out to balance any deficiency in the preceding period. When materialism has been pushed to excess, the tendency is rectified by a spiritual revival.*

*On the other hand, an age in which zeal for the gifts of the spirit has caused neglect of temporal welfare is naturally followed by a renaissance of the just claims of the flesh.”*

The entered apprentice is told that the essence of Freemasonry is the reconciliation of Spirit and matter, heaven and Earth, between God and Man, between Soul and body. This is in contradistinction with the Christian teaching where God is reconciled with man through Jesus Christ, that any who believe in Him will come to everlasting life. The calumny for true Christians is that the original message of the founder of the faith has been mutilated and misconstrued or as one Bishop wrote to me after my dissertation on the General Synod farcical report “Christianity and Freemasonry are they compatible?” Saying that it was all very well quoting from the Bible, but the Church does not consider that portion of the scriptures to which I related. This is like saying that while I believe in something I am not prepared to accept proof that there may be an alternative meaning. or perhaps a qualification. An analogy would be the scepticism of the Law of gravity and motion until an experiment was conducted on the surface of the Moon. This again is a good example of the duplicity where everyone else is expected to obey the Law while those in authority, because they control the administration of the Law think they are privileged in being able to break the law with impunity. Knowing full well that if they are discovered they will be protected by their brothers.

Life has existed upon the planet for millions of years, the laws of God/nature have succeeded in perpetuating life and the vast variety of species. Along comes a creature who considers himself to be equal, if not superior to God the creator. This creature decides he can do better than God, he does not need the Law of nature or the Laws of God. He imagines he is clever enough to be able to supply all his own food, air and water. This creature will shackle the world and strip it of all its assets. The creature will enslave the natural people of the world, strip them of their liberty, saddle them with debt and then, in a final burst of desperation begin a systematic extermination of all other species that might be using up the precious resources. All food will be under the control of this creature, all animals will be selected for their usefulness, any that have no use will be exterminated. No one will be allowed to be self-sufficient and no one will be permitted to be fed by nature's bounty, all food will be processed through channels controlled by the creature, nature will not be permitted to feed her own. What this creature and his offspring do not know, and no amount of persuasion

will convince them otherwise, is that they cannot survive without nature. Their puny efforts will be brought to nought by the immense forces of nature, unless of course they succeed in destroying beyond recovery the very system which supports life itself - the natural world.

Once upon a time there was a business man, well he was more of an entrepreneur. He knew a bit about engineering principles, a bit of electronics, but he imagined that he knew everything there was to know and he came up with a good idea for a product which would make money for his business. Because he himself did not have the time to develop the idea himself he employed the services of technically qualified people to design and make the product. The business man was adamant that his design would work, but the technical professionals disagreed with him and proposed an alternate method for achieving the same results which would work. The business man considered that he knew best and dismissed the technical professionals. Examining the calculations and formulas that the technical professionals had used, the business man decided that if certain values were changed within the formulas and some of the expressions of established laws were modified, such as Newtons first law of motion which states that to every action there is **an** equal and opposite reaction, be re-written to state that to every action there is **no** equal and opposite reaction, his idea as he wanted it made would work. After all there was hardly any difference at all, all he had done was substitute 'no' for 'an'. So he employed some more people, but this time he chose unqualified people and told them that they must design his machine as he wanted it and with the formulas he had developed.

In time the machine was built and his sales team had gone around the world to sell this marvellous contraption and had come back with lots of interested enquiries and a few orders. Before the machine could be tested or evaluated, the business man ordered several more to be made. The business man continued to ignore the advice even of the manufacturers of such things as hydraulic pumps and valves who told him that his system would not work. So when the first machine came to be tested and found not to work the business man sacked all the unqualified staff on the pretext that they had failed him. Meanwhile his faithful few retainers who seemed to do nothing but talk all day long about last nights soaps, the latest video release, the porno channel of Sky etc fiddled on with the machine hoping to receive praise from the Lord and Master if and when they managed to make it work. Panic set in as the development costs escalated. Other prod-

ucts were left behind in development as competitors developed new and better products. His once bread and butter lines, excellent in their day lost market shares. He decided to employ some more qualified people who spotted the problems straight away and suggested ways to overcome the failures in the machine. New calculations were performed to show what had to be done, the faithful retainers fawned and pampered their Lord and Master, fearing for their jobs and pensions, saying that He could not possibly be wrong, his calculations were a triumph over logic and established laws. No, No, these new engineers were wrong, if we throw some more money at it we will get there. So the Lord and Master dismissed the new engineers, but their words had had some effect, perhaps there was some truth after all in what they had said, and, they had asked for advice from others in the wider world, who had agreed with them. The faithful retainers continued to fawn before their master encouraging and praising him and telling him that he could walk on water if he wanted to. The faithful retainers thought of a plan, they could, with the use of careful manipulation of the computer programme designed to run his machine, make it appear to work. The Lord and Master was delighted that he had finally overcome the laws of physics and logic, he went out to his favourite lake and set off to walk across the flat calm water - he sank without trace.

The moral of this almost true story is quite clear. If you are arrogant enough to believe that you can succeed by bending, breaking or manipulating the rules you will inevitably come to grief.

One may speculate until Kingdom Come about the Controversy of Zion, but the fact remains that their doctrine through the Talmud, and their doctrine alone, states that their God gave them the right to rule the world as his Chosen People. The inescapable truth is also found in the Bible, unless you are prepared to disclaim the entire Bible as a work of fiction, that the Jews were banished FOREVER from the promised land. It is this fact alone which causes conflict in the mind of the Jewish people. And it is this conflict which will eventually destroy mankind.
