Dear Mr Alun Cairns MP,

ref my 1st May18 letter to PM
Your 7th Feb18 letter

**Police Block Hospital Appointment Again
For fear Caswell Clinic Medical Data will finally be disclosed**

1. It is 5 MONTHS since HMP Park medicals, including its Director, Ms Horn and No 1 Governor, a Ms Walgrove, were informed that my pre-arranged hospital appointment was due on 27th Dec17. It was for follow-up biopsies via endoscope and possible rectoscope after a history of recurrent pain following previous surgical complications.
2. My sister's follow up letters, to both these ladies, further clarified the urgency reported to her via a most MAPPA restricted prison telephone system reduced to but 'fleeting calls' owing to the clearly illegal manner in which my money's still stopped.
3. McKenzie Friend, J Graham, as well as my brother both attempted I be seen privately at near by Vale Hospital but, as with my request, it was also 'warned off' by the South Wales Police who appear to have such an unusual, if not extreme, command over a British prison ultimately the responsibility of our HM Ministry of Justice, is it not?
4. Now Cardiff Court refused 'evidence' as to why 're-called' to prison if not to cover-up this Caswell clinic scandal. My RCJ & Warbuoys 'black cab rapist' case, on same day and 'grounds', caused my hospital endoscopy delayed a YEAR, as I'm MAPPA 'too dangerous' and would 'try and escape' by 'hot wiring' an aircraft out of the UK!
5. That July14 'recall' was Chief Constable's 'dreamed-up' MAPPA level 3 category 3 hostel idea, just to stop that hospital appointment. As with Warbuoys case, in reverse, it is another example of 'political expediency' ridiculing our country's 'rule of law'.
6. Allowed out of hostel for only an hour, unlike the murderers there, is why I had kept Mr Nick Hardwick, then HM Prison Inspector, informed 'blow by blow' but those prison records, in prison store, I am denied as are needed for RCJ & ECHR cases.
7. Your police and court, I have to say, cleverly avoided my 'medical issue' by stopping both my 're-call' and STATUTORY laid down '28 day review' hearings after, anything to avoid Judicial Review disclosure as to WHY on earth the re-call?
8. So your Chief Constable, to prevent my attending Gilbert J's High Court, even had staff wheel me back off the prison van, in my wheel-chair, to miss it but do you care?
9. Your police interference, when ever The Executive is questioned, as in my 9 year delayed 'machine-gun' case, is to 'harass' anyone simply seeking what, in England, we considered 'justice', despite Blom Cooper J considered it a 'man made' concept.

Yours sincerely,

Maurice J Kirk BVSc
