ref Welsh Sec. of State 7th Feb18 letter

Unlawful Financial Punishments in a Welsh Prison 1CF03361
(Machine-gun Conspiracy)

Is it a coincidence?

1. South Wales Police ignore my applications for disclosure for this RCJ Appeal.
2. My 'disclosure' appl. re 1st 2nd 3rd 4th & 5th 'restraining order' trials are ignored
3. GMC ignores my 17th Oct10-6th March18 applications for 'specific disclosure'
4. 8th June 2009 MAPPA meeting's psychiatrist 'note', recording I was 'likely to be shot', was leaked from Caswell clinic as sanity there finally prevailed.
5. But now Cardiff Crown Court has spoken. No one can correct my 19th Oct 2009 Caswell Clinic medical report, not even Dr Tegwyn Mel Williams, so what?
6. I remain diagnosed with PDD, 'paranoid delusional disorder' from 'significant brain damage' due to cancer may be, CPS say, now in top 5% most dangerous!
7. I'm diagnosed MAPPA level 3 category 3 for believing I am being persecuted.
8. Not even a judge can do anything about it, I heard in countless welsh criminal court rooms. Such is the level of depravity the public need to be warned about.
9. Mental Health Review Tribunal (Wales) ignores my 'disclosure' applications for RCJ
10. Cardiff Mental Health Council Cardiff also ignores my letters re 'disclosure' for RCJ
11. Glanrhyd Hospital has always refused 'disclosure' of its doctored machine-gun data.
12. 4 law firms failed to attend 14th Dec18 court 'sentencing' & ignore letters ever since.
13. HM governors ignore the systematic MAPPA blocking of my hospital appointments.
14. HMP Park continues to block access to my cash required to finance current RCJ cases all relating to fabricated medical data re parole board 'recall', now for ECHR courts.
15. In short, every conceivable Welsh body imaginable, for safe guarding prisoners' easy access to competent medical services or credible courts are being unlawfully blocked.
16. HMP Park even ignores my appeal, re £15.50p punishment fine, for 'in possession' of my own Omeprazole medication, first issued by its own so called 'Health Care' Dept.
17. My HMP wing & punishment block managers all display an air of utter indifference.
18. HMP even block my telephoning the Legal Ombudsman, witnesses & helpers.
19. I enclose one of my statements of complaint, ignored in the past when pensions were at risk and ask you to find me someone both competent & compellable, please, to act.

Incidentally, Care Inspectorate (Wales) slipped past MAPPA but not my GMC (Wales), Health Tribunals, Caswell Clinic, NHS (Wales) & doctor letters unless all just ignored?

It stinks, doesn't it?

Yours sincerely,
