Dear Miss A Castello, My many unanswered letters ever since

NHS(Wales) Machine-Gun Murder Conspiracy
(Attempted burglary of Caswell Clinic for my own records)

1. I am gaoled by South Wales Chief Police Constables from failing to having me shot.
2. In 2009 Barbara Wilding had me MAPPA level 3 category 3 regstd. for 'elimination'.
3. She conspired I was in 'possession' of a prohibited reactivated WW1 machine-gun.
4. To do this she did a deal with an arms-dealer, then on the run from the US Authorities
5. The 'purchaser' was also promised immunity to prosecution if he also gave evidence.
6. On 22nd June09 police helicopter & 20 odd police, many armed, surrounded our home in order to have me killed and if fail, to snatch our 10 year old daughter, Genevieve.
7. She blackmailed a NHS psychiatrist to falsify my medical if her 'gun plot' should fail so, in Dec09, she applied I be now sectioned onto Ashworth high security psychiatric hospital, indefinitely, due to significant brain damage, possible cancer, having ditched in the Caribbean or having been a 'long term' drinking partner of actor, Oliver Reed!
8. The machine-gun case could not be stopped as no UK psychiatrist would support her so she painted the 'gun' a different colour to fool an already 'police planted jury'.
9. She also dreamed up 'Foxy', a transvestite, purported to have contacted us to 'buy' it!
10. After acquittal, requiring no defence, she refused any complaints be investigated as Dr Williams was set up as my 'harassment target' after GMC had been 'warned off'.
11. He had trusted in Professor Rodger Wood who had lied throughout my incarceration.
12. Interesting, as FTAC/CPS had already 'thrown out' South Wales Police's allegations as experts had already supplied Williams & Wood with my clear brain scan reports.
13. Interesting, as my damages claim against her was imminent as she refused any idea of 'settlement out of court' despite having lost 40 odd malicious criminal prosecutions.
14. So I filed civil claims against the police doctor for 'perverting the course of justice' by conspiring with his Chief Constable that ended in this machine-gun total fiasco.
15. I now find my 90's police incident claims returned from RCJ to Wales to be quashed?
16. Its no surprise the 'gun' civil claim is now delayed another year, 9 times for access to a court room and now delaying the scandal over 10 years, just waiting for me to die.
17. Dr Williams was promised prosecution immunity so why didn't anyone else tell me of his blackmail induced cancer/PDD conclusion or at least, offer me palliative care?
18. I'm gaoled to block 300 witnesses for motoring incidents, 'smuggling in Irish pigs by aircraft', imprisoned as 'unidentifiable', 'low level' helicopter chase, on HRH's farm with 'garrotte' type instrument, all as samples from her 89% conviction failure rate
19. Now G4S blocks this Litigant in Person's prison 'spends' to finance this RCJ appeal.
20. I was 'harassment' charged so Dr Williams could not 'correct' my 19th Oct 09 p10&11 medical report as both court & Caswell Clinic evidence had been destroyed.
21. No 1st 'restraining order' was served, irrespective of my 'defence in law', both proved
22. 2nd R/O trial collapsed as Dr Tegwyn Williams' arson allegation proved a pack of lies
23. 3rd R/O trial jury did not know police had driven me to 'drink' to have telephoned 101
24. 4th R/O trial proved police blocked my hospital & court appointments for prison recall without even need of evidence, a parole board or even a 28 day 'review' hearing.
25. 5th R/O jury may also request, as 1st was denied, my 'gate arrest' and custody records.
26. MAPPA denying hospital biopsy has the potential of the policewoman's bullet again.

Can you help?
