YOUR REF 201704259 B4 Y3

DEAR MISS C MARK,

1. Thank you for 14/09/2018 letter.
2. Prison is refusing easy access to 'paid' for photocopying, contrary to a black white prison, so please send me whatever I ask send you last.
3. Despite 1200 GW, I had appealed 'sentence' following my proposed 'deal' with Lord Justice (1 Nov 2017) (wrongfully) plead 'guilty' for her having my doctoring medical reports, simply 'done' (I need your court's position ^{in this} for ECHR application)
4. 'New Evidence' of seven Wales Police's unlawful conduct ^{further} over 25 years is this week revealed in FOI GHS disclosure of my Miss + Mrs (Wales) medical records of me as have been 'up to speed' trial in 2017's hearing.
5. Your idea for which I am grateful, CCRC may help, is futile as is refused, for some reason as Dr Teona Williams diagnosis (PII parent) 11/10/07 reports, visit Dr John Barshaw 'notes' re Wood's as who is what I need.
6. Please, please continue to retain all my documentation as I may be out, if not in a prison, it'd be to collect.
7. I ask again for your trial transcripts referred to in your office summary' as Cardiff refuse with listing my 'variation' appl for R/O. A big thank you on World Mental Health Day.
