MORVICE J KIRK
HM A DARI
SOUTH WALES

24th Oct 18

DEAR SIR/MADAM THE LIE CULTURE

Your court's criminal conduct surpasses all understanding, to some.

1. Your 2nd Feb 2018 letter regarding you not having jurisdiction in regards to matters is a blatant distortion of truth.

Similarly, your 15th May 2018 letter indicating a hearing tomorrow to correct the date with Williams 14th Dec 2017 is a 'restoring order' as it is ridiculous in the light of M600 evidence current. Goshell Clark orders again reasking for, is a lie.

3. 14th Dec 17 sentencing judge, despite deny in the psychiatric report, completed for the normal, legal representation ^{OR} even used police prepared ^{'FALSE'} pre-sentencing forensic history, judge Tracy Lloyd - stark lied to my face ^{'I (MORVICE) HAVE NO POWER TO CORRECT FALSE FORENSIC DATA'}
