Madeleine Moon MP's letters

21st April 2018

Mrs Mary,
Dear Mr Alun Cairns,

ref my 19th April 2018

Police Machine Gun Conspiracy

1CF03361

1. My imprisonment is from your Chief Constable 'framing me up' to be 'lawfully' shot
2. She had concocted I had been in 'possession' of a prohibited reactivated machine gun
3. To do this she did a deal with the arms dealer then on the run from the US Authorities
4. The 'purchaser' was also promised immunity to prosecution if he also gave evidence.
5. On 22nd June 09 police helicopter & 20 odd police, many armed, surrounded our home
6. Weeks before she had arranged my MAPPA level 3 cat 3 registration to eliminate me.
7. She blackmailed her chief forensic psychiatrist, Dr Tegwyn Mel Williams, as plan B.
8. In Dec 09 she applied I be further sectioned but to Ashworth high security psychiatric hospital, indefinitely, for 'significant irreversible brain damage' by a possible cancer.
9. The machine gun case could not be stopped as no UK psychiatrist would support her
10. So she painted the 'gun' a different colour to fool jury and in it had a police 'plant'
11. She also dreamed up 'foxy', a transvestite, purported to have contacted me to buy it
12. After acquittal, without need of a defence, she refused any complaints be investigated
13. Why? Dr Williams was set up as her 'harassment target' following GMC warned off
14. Interesting as FTAC and CPS had thrown out stupid South Wales Police's allegations
15. Interesting, also, in that Dr Jones had supplied Dr Williams with my clear brain cans
16. Interesting, in that in 2009 my civil damages claim against her was due to be heard following her having lost some 40 odd malicious criminal prosecutions against me
17. I also filed a civil claim against the police doctor for perverting the course of justice and for conspiring with the chief constable for the need of the machine gun fiasco
18. I now find, from my 1993 claim, found in possession of a 'garrotte type instrument', together with 30 odd others 25 years later, it's returned from RCJ to the Cardiff courts
19. It was therefore, today, of no surprise my machine gun MAPPA conspiracy claim has been adjourned, without good reason, for yet another year, being 9 years old now!
20. Dr Williams had been promised immunity while I live which, maybe, why no NHS (Wales) doctor informed me of this police surgeon's six months of in depth results
21. Which is why any imprisonment achieved immediately allowed Cardiff's judiciary to use it as an excuse to delay my compensation claims requiring hundreds of witnesses
22. Which is why on charged with 'harassment' for his not correcting his Caswell clinic report the courts shredded the court logs, exhibits and transcripts of 'sensitive' cases
23. No 'restraining order' was ever served irrespective of my defence in law, now proved
24. Successive MAPPA Welsh prisons block my hospital and court appointments, even when I am on parole, as police know the urgency of my diagnosed medical condition.

TO HAVE ME KILLED AND IF THAT FAILED, TO SMASH OUR
10 YEAR OLD DAUGHTER, GENEVIEVE

It stinks, doesn't it?

Yours sincerely,

Maurice J Kirk BVSc
