

WITNESS STATEMENT 15<sup>th</sup> October 2019

I am Celia Jeune and was granted presence at the Oral Parole Hearing chaired by Mr. Kevin Green at HMP Parc, Bridgend on 15<sup>th</sup> October 2019.

The Chairman asked the Offender's manager about the prisoner's record. It was embarrassing to see the man squirm and stutter when asked about the evidence of the statement that Mr. Kirk had landed his plane on the lawns of US President Bush's Texan ranch and that he had been found guilty of drug dealing, had arms offences and child abuse. These offences had been added to the record of Mr Kirk some years earlier without any knowledge of the prisoner.

The Prison Officer was clearly showing signs of discomfort at the questions asked of him.
