

I, Celia Jeune, attended a Parole Hearing of Maurice John Kirk (12.3.45) at HMP Parc, South Wales on October 15th 2019.

Mr. Kevin Greene was the Chairman. I attended the whole Hearing and saw the prisoner arrive in a weakened state in a wheelchair. He spoke coherently throughout.

The Chairman asked the Offender Manager why Mr. Kirk was considered a 'risk' when opposing the possible early release of the prisoner. The man was totally flummoxed as he was unable to answer. The Probation Officer, Bradley Hughes, was also embarrassed at being unable to answer.

The meeting was informed that the session was recorded.
